ACTIONS FOR HIGHER EDUCATION PROVIDERS DURING THE CORONAVIRUS OUTBREAK

This is guidance on the range of measures the government has announced to protect students and the higher education sector from the impact of coronavirus (COVID-19).

Students should also read the student guide to coronavirus for information about securing a place at university, the clearing process, accommodation, and finance. We expect all students who want to go to university, and meet their entry requirements, to be able to access higher education. If a student has accepted an offer, meets the conditions, and decides to take it up, nothing has changed.
