

# GET YOUR LEADERS ROLLING IN 2023

- Have you struggled with staff retention in 2022?
- Are some of your best people a flight risk?
- Do you want to make your business a more attractive place to work?

The battle for talent in the SME market is very real and throwing money at employees to join (or stay) isn't sustainable.

## WE CAN HELP

Develop your Managers into Leaders so that they can improve themselves, their teams, and positively impact your business performance.

## LEADERSHIP DEVELOPMENT

Leaders are essential for your organisation to achieve its vision and instil the values (behaviours) that make your business unique.

## SET YOUR PEOPLE UP TO SUCCEED

Your line managers are key to creating a good culture and a great employee experience IF they are equipped with the knowledge and skills to lead, manage and motivate people.

## DICE LEADERSHIP DEVELOPMENT

Our leadership training is fully accredited for Continuous Professional Development (CPD). After successfully delivering it to cohorts within client businesses, we are offering it for the very first time to individuals from different organisations.

[Click here to read what previous delegates have to say about our programme...](#)

We have 20 spaces available for our 2023 intake.

The programme will run over six days spread out quarterly, delivered from our HQ in Chester and costs £6,000 per person (plus VAT).

Visit [www.dicebusiness.co.uk/leadership](http://www.dicebusiness.co.uk/leadership) to find out more.

Registration closes 31st January 2023 or when all 20 spaces are filled.
