

New Landscapes: Catalyst Research & Development Grant Scheme

Applications for the next round of New Landscapes: Catalyst Research & Development Grant Scheme are now open.

The New Landscapes: Fashion, Textiles and Technology Catalyst R&D Grant Scheme will provide five collaborative grants of up to £6,000 cash and up to £15,000 in-kind support to proposals that:

- / Grow global networks to enable development of practice, experimentation and testing of sustainable design and production solutions that inspire positive environmental change
- / Support small and medium-sized enterprises (SMEs) to exchange methods of designing and producing in a more sustainable and socially engaged way
- / Support young designers to become advocates for sustainable, ethical and socially engaged fashion, textiles and related technologies

The closing date to apply is 6 February 2023.
